### **[2015] PROJECT ACCOMPLISHMENT REPORT**

event will ensure that newly hired DOH Reps can level off and be familiar on the requirements and function of their new designation as they take the new challenge of bringing the Kalusugan Pangkalahatan into their assigned LGUs.

In this regard, the Development Academy of the Philippines was tapped by the DOH-BLHSD to assist them in the execution the activity.

#### *Project Objective*

The objectives of the Convention are the following:

1. To provide a general orientation of the DOH Reps as part of the DOH;
2. To present to the DOH Reps the proposed competency models and standards as employees of the DOH;
3. To present relevant issuances and programs that may come handy as DOH Reps in order to perform their roles in ensuring responsive local health systems in their areas of assignments; and
4. To provide an avenue for the DOH Reps to discuss issues and concerns related to their functions.

At the end of the convention, the participants should be:

1. Familiarized on various programs on local health systems, and
2. Oriented on the competency models and standards of DOH Representatives.

#### *Focus Area*

Sustainable Human Development

#### *Project Type*

Learning environment and related services for capability-building programs

#### *Project Beneficiary*

Health, Housing and Social Welfare

#### *Regional Coverage*

NCR, CAR, Region I, Region II, Region III, Region V

### **IV. Project Accomplishments**

#### *Key Activities Implemented*

- Preparatory activities for the DOH-DMO Convention
- Convention of the DOH-DMOs on March 16-17, 2015

#### *Major Outputs*

- Conduct of the Convention of the DOH-DMOs on March 16-17, 2015

#### *Project Impact*

- The convention became a venue for the DOH-DMOs from selected regions to be oriented/reviewed about various programs on local health systems that can be helpful in their functions as DOH representatives. The activity also became a venue for them to inform them of the competency models and standards and the LDNA tool developed by the DOH-HHRDB.

#### *Lessons Learned*

- Design of the activity is essential in planning the whole event
- It is useful to determine all components of the event and plan it accordingly
- Regular coordination with client is very important to successfully carry-out the event
