II. Project Team

Project Manager **Mary M. Sagapan**
Project Team Member **Ron Allan R. Estrebilllo (DPM)**
Editha R. Estanislao
Supervising Fellow **Dorothea C. Boy-Navarro**
Project Director **Alan S. Cajos**
Consultants/ Resource **Allan Laniba**
Person **Atty. Goldelio Rivera**

III. Project Details

Project Description	<p>The Course on Credentialed Cooperative Director (CCCD) is adapted from the United States National Rural Electric Cooperative Association (NRECA) Certificate Program which promotes good governance and additional skills development for board directors. Specifically, the course integrates topics needed by directors in all aspects of operations, financial management, challenges in electricity business and strategies. Thus the course helps in improving the wise business decisions that would benefit the cooperative.</p> <p>The training will consist of a series of courses from the CCD Program: Director Duties and Liabilities and Responsibilities; Understanding Electric Business; Strategic Planning; Financial Decision Making and Capstone Course.</p> <p>The CCCD is being implemented by the Development Academy of the Philippines in partnership with the National Electrification Administration (NEA) and support from NRECA International.</p>
Project Objective	<p>The Course on Credentialed Cooperative Director Training aims to enhance the governance and management of electric cooperative. Specifically, the board members will have calibrated understanding on the different aspects of coops' operation. The Course on Credentialed Cooperative Director Training aims to enhance the governance and management of electric cooperative.
