III. Project Details

Project Description This course is focused on leadership, which moves and steers organizations, groups and programs to perform successfully and with relevance. CCPEL aims to develop supervising and middle managers to be true service-oriented public managers that can implement programs in their areas of responsibility and bolster their network among stakeholders.

Project Objective These courses are DAP-GSPDM's intervention to the leadership and managerial skills needed by Municipal Team Action Leaders nationwide. The courses aim to provide focused training that will enable participants to:

1. Demonstrate the competencies associated with emotional intelligence, thereby, increasing one's ability to manage relationships.
2. Practice critical and creative thinking to effectively develop and deliver messages about shared vision and program of priority activities.
3. Identify leadership concepts, attributes, skills, styles and approaches.
4. Apply the concepts of Bridging Leadership (Ownership, Co-ownership, and Co-creation) in addressing social inequities.
